

THE ADVERTISER.

WEDNESDAY, DEC. 11, 1861.

THE new military company, organized at Ozibah in this county under the late requisition of Gov. Pettus for 10,000 men for sixty days, passed through here on Monday last, en route for Corinth, the place of rendezvous. They were a gallant looking set of men, and should the opportunity present itself, they will no doubt render a good account of themselves.

Capt. W. L. Davis, of the Magnolia Rifles, having resigned his position as Captain, reached home last week. The health of the Captain had become so bad that he could no longer remain in the service. H. H. Powers, at present third Lieutenant in the Magnolias, is spoken of as the person most likely to succeed Capt. Davis.

Probable Arrest of Winfield Scott.

The Norfolk Day Book intimates that probably Gen. Scott will soon be in the South after the mode of Mason and Stille's getting into the North.

Exchange of Prisoners.

Gen. McClellan is understood to have made the most urgent representation to the President in favor of a regular and systematic exchange of prisoners. He will probably succeed in having his views adopted and acted upon.

Seward Prophesying.

At a late session of Cameron and Seward, it is stated that only the latter appeared. He simply complimented the meeting and stated that in ten days the country would rejoice at great news.

Guns! Guns!!

The Governor has instructed the Gun Committee to discontinue buying guns, and orders all guns that have not been paid for to be returned to the owners.

Therefore, all persons holding certificates are requested to deliver them to the undersigned and get their guns again.

The Agents of the Confederate States will take all guns that may be returned.
